

## GPI POLICY – POST OFFICE OPERATION

### **Rationale:**

The Pitcairn Islands Post Office operates under the authority of the Government of Pitcairn Islands (GPI). GPI is committed to ensuring that its postal and financial operations are undertaken in an efficient, accurate and auditable manner.

### **Policy Objectives:**

The aim of this policy is to guide procedures, accounting practices and financial management of the Pitcairn Island Post Office.

### **Definitions:**

**Staff Counter Case** – A lockable case issued to each staff member holding inventory, cash and trading records.

**Staff** – Unless otherwise stated, includes the Postmaster and all other employees of the Post Office

### **Activities:**

#### **General**

##### **Opening Times**

The Post Office will open for general business at least 1 day per week, for a time that ensures all customer and operational duties for that day are carried out.

At the discretion of the Postmaster, the Post Office may open additional days in order to carry out incoming and outgoing mail processing.

##### **Postal and Freight Charges**

Refer: GPI “PI Postal Rates”

##### **Documentation**

**Non-Electronic** - Documentation will be archived in a legible orderly fashion and secured for a period of no less than 5 years.

**Electronic** - As described below under ‘Electronic Security and Risk Management’.

#### **Specific**

##### **Incoming Stock**

1. The Postmaster and Division Manager will check all incoming stock against invoices.

Date Policy last reviewed: 12<sup>th</sup> October 2021  
Date Policy due for next review: October 2023

## GPI POLICY – POST OFFICE OPERATION

2. In respect to stamp stock from the Philatelic Bureau, once checked the Postmaster will send a 'confirmation of receipt' to the Philatelic Bureau.
3. Bulk stock is secured in lockable fireproof safes on the premises. The Postmaster is responsible for safe keys and/or combination numbers.
4. The Postmaster will record stock and quantities in the "**Stock Inventory Book**" and electronic Excel "**Master Balance Workbook**". The Postmaster is responsible for maintaining the Stock Inventory Book and Master Balance Workbook.

### **Stock Control**

1. The Postmaster is responsible for issuing of stock to staff. Stock issued will be recorded in the "**Stock Issue Book**". Both Postmaster and staff member will sign each issue entry respectively.
2. The Postmaster makes required adjustments to stock issued in the "**Master Balance Workbook**".
3. Every staff member is responsible for stock issued to them. Stock will be locked and secured in an assigned "**Staff Counter Case**".
4. Each staff member is assigned an electronic Excel "**Counter Balance Workbook**". Stock issued to them is recorded in the Counter Balance Workbook.
5. With exception to end of month auditing by official auditors, at no time will a staff member allow any other staff member or person access to their assigned Staff Counter Case.

### *Sales*

1. Each staff member is assigned a lockable 'Cash Box', which is kept secured inside the Staff Counter Case. All cash, cheques and the like, must be kept in the cash box at all times. The staff member is responsible for all cash, cheques and the like.
2. All transactions will be recorded in the staff members Counter Balance Workbook
3. A manual record including date, customer name, and total amount of sale is recorded in the staff members "**Customer Daily Sales Book**"

### *End of Month Balancing*

1. The Postmaster will inform staff prior, of an end of month auditing date.
2. At the close of last trading day prior to the audit date, all staff will provide the Postmaster with a printed copy of their Counter Balance Workbook. In addition a printed copy is left inside their Staff Counter Case.
